

For the angels to stand up, the tension needs to be fairly tight. So if you are a loose knitter use a smaller needle size than you usually use. Also, a cotton wool ball is ideal for stuffing the head. If you put too much stuffing in, the angel is top heavy and will struggle to stand up. Feel free to adapt the pattern if you want by adding in different colours.

What you will need.

Some wool (double knit preferred); Knitting needles between size 9-8 (3.75mm and 4mm) for DK; Darning needle; Small amount of stuffing.
